

QUALITY POLICY

At CC7, we are committed to delivering high-quality Engineering, Procurement, and Construction (EPC) services that consistently meet or exceed client expectations, regulatory requirements, and industry standards.

We recognize that quality is fundamental to customer satisfaction, operational excellence, and sustainable business growth. Our goal is to foster a culture of quality, innovation, and continuous improvement across all functions and project phases.

To achieve this, we shall:

- **Comply** with all applicable quality standards, contractual requirements, client specifications, and statutory regulations relevant to our services.
- **Establish, implement, and maintain** an effective Quality Management System (QMS) in accordance with ISO 9001, integrated with our overall business management system.
- **Deliver projects on time, within budget, and to specifications** by applying systematic planning, risk-based thinking, and robust execution practices.
- **Ensure strong quality governance and accountability** at all organizational levels, with clearly defined role and responsibilities for maintaining quality standards.
- **Promote a right-first-time approach** through proactive risk management, detailed design reviews, procurement quality control, and construction supervision.
- **Foster a culture of continual improvement** by setting measurable quality objectives, monitoring performance, and learning from audits, reviews, and feedback.
- **Empower employees and contractors** through training, competence development, and leadership support to deliver quality in every task.
- **Engage with clients, partners, and stakeholders** to ensure alignment of quality expectations and to drive mutual value through collaboration and transparency.
- **Implement effective communication, documentation, and change management processes** to maintain consistency and control across project lifecycle stages.
- **Leverage innovation and digital tools** to improve quality performance, reduce rework, and enhance project outcomes.

This policy is communicated to all CC7 staff and made available to interested parties. It shall be reviewed periodically to ensure continued relevance, alignment with business strategy, and effectiveness in driving customer satisfaction.
